

SHOW THEME 2026 PEACE AND UNITY

This year's theme is Peace and Unity, bringing people together in the beautiful greenspace of Middleton Park.

We have taken inspiration from Hunslet Carr Primary School's wonderful work around the question 'What can we do to spread love, not hate?'

Middleton Park is a place of sanctuary for nature and people. The Great Middleton Park Show is an opportunity to bring together people from all of South Leeds' communities, so please get thinking about what you can enter!

We look forward to sharing a great day out on Sunday 13th September.

THERE'S ALWAYS TIME TO ENTER THE SHOW And lots of easy ways to do it...

Anyone can grow fruit and vegetables at home and kids love to get involved.

Summer radishes are ready to harvest in as little as 4 weeks. Grow them in an old yoghurt pot for fun!

Other fun and easy to grow veg are spring onions, beans and mini cabbages.

Decorated cakes and biscuits are a great way to get creative in the run-up to the show. Keep children busy during the holidays, perfecting their baking skills for the final entry.

Sunflowers and other garden flowers make impressive displays in the flower arranging category.

Have a look at our arts and crafts categories and see what you can create from second-hand materials, or natural materials like leaves, twigs and pebbles.

If you don't have space for your bird box or feeder, we'll make sure it's put to use in the park or a local garden via the auction.

If you're coming to the Park and planning to have a take-away cuppa, please remember to bring your own reusable mug. It saves a lot of waste!
